David Booth

It does seem that I appear to be repeating myself in these notes when I talk about being better than the last game. Make no mistake we have to be better. The first person I look at is myself. Am I doing things correctly, am I preparing the players properly. I feel I am and although we have our share of injuries over this period which hampers preparation we have still put out a full squad of players, so no excuses on that score. We have no excuse other than to be honest and say we have not been playing well – but every game I feel that today it will change. However just when you think things cannot get worse they invariably do so we have to roll up our sleeves and show you what we are made of. I know these are my personal feelings and I have felt embarrassed at times lately with our performance. This makes me personally more determined to try to put matters right. I hope the players have got the same feelings as myself. If so then we can enjoy the game and hope it is enough to beat a good Bolton team today. Lets roll our sleeves up!

Thanks Dave

Spotlight on the Manager

Phil Neal, as a player competed in over 700 games with Northampton, 11 years at Liverpool and at Bolton. He's won a record eight League Championship medals, 50 England caps plus League Cup/Milk Cup winners medals.

The Players

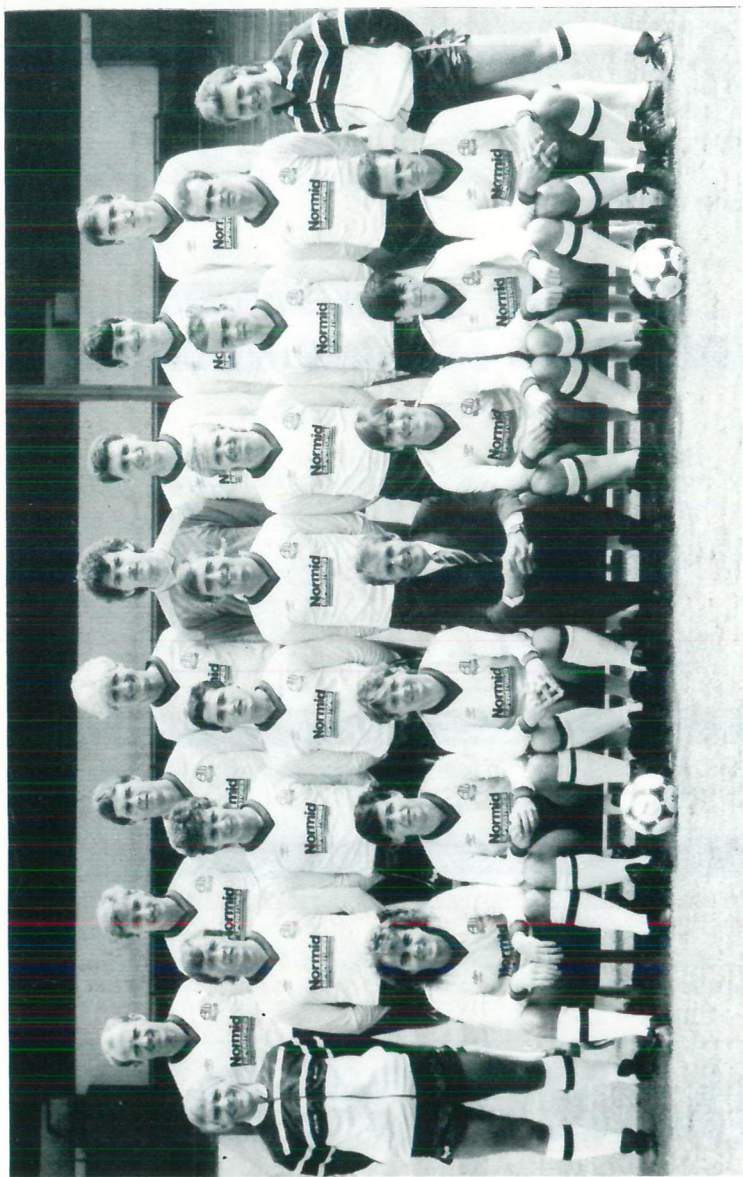

Goalkeeper **David Felgate** is in his second spell with the Wanderers, a £16,000 signing from Grimsby. The former Welsh international was a regular at Lincoln before joining the Mariners. The defensive roles are competed for by **Julian Darby**, a Bolton-born former England schoolboy who broke into the scene in March 1986. Can also play midfield. **Mark Came** joined Bolton from Winsford United as a promising non-league player in April 1984. This solid central defender has been a regular in the first team squad since. **Dave Sutton** started his career at Plymouth, before helping two promotion winning teams at Huddersfield. Moved to Bolton for £12,000 in the summer of 1985. In **Dean Crombie** the Wanderers have acquired a very experienced defender during the close season. Dean was signed on a 'free' from Grimsby where he made over 350 appearances. 'Mr. Versatile' is what they call **Derek Scott**. Joined the Wanderers from Burnley in June 1985 for £20,000. This former England schoolboy international played in almost every position during his 11 seasons at Turf Moor. Completing the defensive squad is **Mark Winstanley**, a promising youngster who made his debut at Bournemouth in March 1986.

In midfield we have **Gary Henshaw**, another 'free' signing from Grimsby Town where he started as an apprentice and completed five seasons. **Warren Joyce** made his debut for the Wanderers in the Second Division in April 1983. This energetic, enthusiastic allrounder won honours as a schoolboy at cricket and rugby before returning to a career in football. Peterborough United offered £30,000, for this midfielder during the summer.

Steve Thompson is a talented midfield player with a powerful shot. He is a penalty spot specialist, and a Bolton regular four years after graduating through the junior ranks, Bolton fans are pleased at the return of **Jeff Chandler**, a £30,000 close season signing from Derby County, who he helped gain promotion to the First Division. Jeff can operate in midfield or on the left flank. Kicked off his career at Blackpool and had a spell with Leeds United before joining Wanderers initially in 1981 in a £40,000 transfer.

Up front is big London-born striker **Trevor Morgan** who has played more than 300 games in a career which started at Bournemouth and took him to spells with Mansfield, Bristol City (twice) Exeter and Bristol Rovers to whom Phil Neal paid £20,000 during the close season. It cost Wanderers £30,000 to bring front runner **John Thomas** to Burnden Park five years after he left the club to join Chester. Proved a prolific goalscorer on his travels which included successful spells at Lincoln and Preston where he scored 28 goals last season. An anonymous benefactor is sponsoring the fourth return of **Neil Whatmore** to the Club, where he started as an apprentice. During nine seasons he saw Bolton promoted from Division Three to Division One before joining Birmingham in 1981 for a record £340,000 fee. He had spells with Oxford United, Wanderers (twice on loan) and Burnley before joining Mansfield with whom he won a Freight Rover Trophy winners medal last term. Striker **Steve Elliott** cost Bolton £25,000 from Walsall. Started his apprenticeship at Notts Forest before moving to Preston and then at Luton. Came to prominence at Deepdale after £95,000 transfer. Scores goals himself but is also regarded as provider for his colleagues. This is Steve's second season after making his Bolton debut against Swindon last term.

BOLTON SO FAR THIS SEASON

Away from Burnden Park this season Bolton began with a fine win at Springfield Park, Wigan in the Littlewoods cup (but unfortunately lost in the return leg 1-3 at home to go out in the first round). Then a shock 0-4 defeat at Scarborough was followed by a complete turnaround and a 3-0 win at Hereford. A point secured at Scunthorpe in mid September was followed four days later by a 1-2 defeat at high riding Torquay to make it a win, a draw and two defeats in four away league games so far.

At home league wins have been recorded over Cardiff, Peterborough, Halifax and Wolves with a draw with Crewe on the opening day of the season and one defeat a fortnight ago to form team Hartlepool. Top scorers are Morgan and Thomas with four each.

Encounters

Bolton Wanderers make their first appearance in the Fourth Division here at Feethams this afternoon, although of course they have been with us in the Third for the past two seasons. So this is our third league encounter with them here, yet we first met in a home league match only last year on 24th April 1986. Then a single goal from George Oghani brought the Quakers great run of fifteen games in league and cup without defeat, to an end. Just eight days later on 1st May they returned for the semi final of the Freight Rover Trophy and were in confident mood after their league win Darlington strengthened by the return of Carl Airey and John Green, both fit after injury, were stunned by an eighth minute goal from George Ogan (again!). In twenty five minutes we were two down when Tony Coldwell scored and our Wembley dreams were completely shattered when Asa Hartford hit Wanderers third in the second half. Injuries to John Green and Dave McLean made things even worse. Bolton went on to beat Wigan in the Northern final but lost at Wembley 0-3 to Bristol City (Alan Walsh and all).

Wanderers most recent visit was on 18th February this year, in a game rearranged from 24th January and completed their third win at Feethams in under a year, when they again clinched the points with a single goal. Our trips to Burnden Park have, if anything, been slightly more successful with a resounding 3-0 on 5th November 1985 with goals from Gary Macdonald (2) and John Green in our first ever league visit. The season before we played there for the first time ever in the Freight Rover Trophy Round Three on 16th April 1985 and narrowly lost 1-2. Last season we lost a seven goal thriller on 6th September 1986, when Gary Morgan, Alan Roberts and Peter Robinson were our marksmen.

All this activity involving Bolton and the Quakers in the last three seasons rather belies the fact that beforehand we had only ever played them once before. Older supporters will never forget that occasion back in November 1960 when the ground attendance record of 21,023 was established. It was the third round of the Football League cup and we had already put out Crystal Palace and First Division West Ham United to reach that stage. After only sixteen minutes the Quakers took the lead when Joe Rayment vollied in Keith Morton's cross and we held that advantage until the sixty ninth minute when Ray Hartle's free trick squeezed through keeper Colin Tinsleys fingers. A replay looked certain until in the final minute Doug Holden scored a dramatic winner to put the Trotters through to meet Rotherham United in round four.

Focus on Four

The two legged ties in the second round of the Littlewoods Cup certainly did the eleven Fourth Division clubs no favours this week as only Peterborough United remain to represent the division in the third round. A draw away at Plymouth Argyle was sufficient to send the Posh through after their fine 4-1 home win in the first leg. Three other sides took leads into the second leg and of these Wolves looked to have a fine chance of progressing as they were at home. However Hinchcliffe and Gidman made sure that Manchester City progressed to the second round before a fine 13,843 crowd at Molineux, in a repeat of the 1974 League Cup Final, when it was Wolves who won. Torquay United as might be expected could not hold out at White Hart Lane and went down 0-3, while Carlisle United also took a lead to Oldham but went down 4-1 after extra time.

Burnley and Rochdale both held First Division opposition at home in the first leg, but could not spring a shock this week when away from home. Neither were disgraced however with Burnley only losing 0-1 at Norwich and Rochdale 1-2 at Wimbledon. The rest of the divisions sides failed to make it to the third round and the least said about our unfortunate dismissal the better. There is no doubt that the seeded two leg second round greatly diminishes the chances of the smaller clubs of progressing very far.

In the league Scarborough returned to the top after their one goal win at home over Burnley, before a good crowd of 4,782 at Seamer Road. All of the current top five have led the table in these first few weeks of the season. Leyton Orient were top until Friday evening when Cardiff City overtook them after their 1-0 win at Stockport. Earlier leaders Exeter and Torquay met at St. James Park in the south Devon derby before the divisions biggest crowd of the day last Saturday of 6,281. It was the visitors Torquay who clinched the points with a single McNichol goal to go above their neighbours in the table. Exeter have now failed to win in their last four home outings, drawing three and losing one.

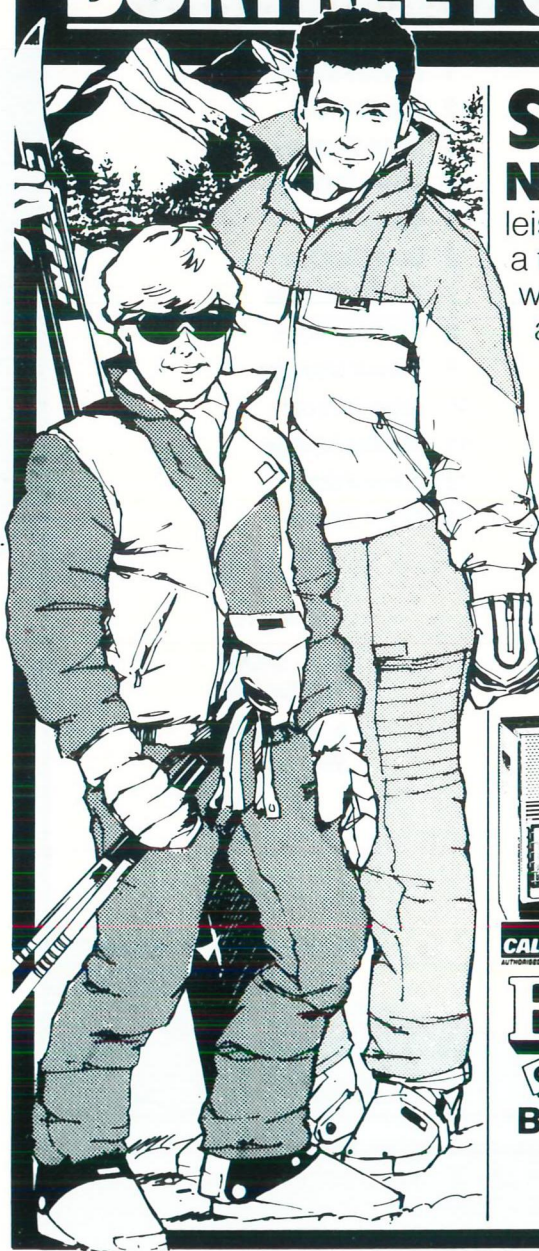

The in form team is undoubtedly Hartlepool who have shot up the table with five consecutive wins giving John Bird the September manager of the month award. However they failed to make it six on the trot at Crewe last week only drawing 1-1, with yet another goal from Paul Baker, who has now scored in seven successive games in the division with 13 goals, two more than Leyton Orient who are unbeaten away with a win and five draws.

Newport are still at the bottom and can do nothing right, losing at home for the third time last Saturday. They still boast only one win and that was 3-1 over Torquay. Last weeks visitors Tranmere have not won in six games and are just above them. Stockport have now lost five at home (but only once away) and have slumped down the table.

FOURTH FACTS Best Home Win: Torquay 6 Wrexham 1 (15th August)
Best Away Win: Hartlepool 2 Darlington 5 (20th August)
Highest Attendance: 7,349 Wolves v Torquay (26th September)
Lowest Attendance: 1095 Halifax v Newport (5th September)
